§ 1952.223 Compliance staffing benchmarks.

Under the terms of the 1978 Court Order in *AFL-CIO v. Marshall* compliance staffing levels (benchmarks) necessary for a "fully effective" enforce-

ment program were required to be established for each State operating an approved State plan. In September 1984 Tennessee, in conjunction with OSHA, completed a reassessment of the levels initially established in 1980 and proposed revised compliance staffing benchmarks of 22 safety and 14 health compliance officers. After opportunity for public comment and service on the AFL-CIO, the Assistant Secretary approved these revised staffing requirements on July 22, 1985.

§ 1952.224 Final approval determination.

(a) In accordance with section 18(e) of the Act and procedures in 29 CFR part 1902, and after determination that the State met the "fully effective" compliance staffing benchmarks as revised in 1984 in response to a Court Order in *AFL-CIO v. Marshall* (CA 74-406), and was satisfactorily providing reports to OSHA through participation in the Federal-State Unified Management Information System, the Assistant Secretary evaluated actual operations under the Tennessee State plan for a period of at least one year following certification of completion of developmental steps (43 FR 20980). Based on the 18(e) Evaluation Report for the period of October 1982 through March 1984, and after opportunity for public comment, the Assistant Secretary determined that in operation the State of Tennessee's occupational safety health program is at least as effective as the Federal program in providing safe and healthful employment and places of employment and meets the criteria for final State plan approval in section 18(e) of the Act and implementing regulations at 29 CFR part 1902. Accordingly, the Tennessee plan was granted final approval and concurrent Federal enforcement authority was relinquished under section 18(e) of the Act effective July 22, 1985.

(b) Except as otherwise noted, the plan which has received final approval covers all activities of employers and all places of employment in Tennessee. The plan does not cover private sector maritime employment; Federal government employers and employees; the U.S. Postal Service (USPS), including
